Office of the Non- Formal and Informal Education

CLC serves as the focal point for providing the community people with lifelong education in terms of learning, transferring and sharing experiences, know-how and local wisdom. It also serves as the community place for organizing activities responding to the needs of the people.

6

Office of the Non- Formal and Informal Education

There are 8,605 CLCs across the country with a CLC facilitator taking care of each centre.

7

Office of the Non- Formal and Informal Education

Inside the centre, there will be 13 corners as follows :

1. the King Celebration Corner

Its purpose is to show the King's initiatives both in the past and at the present time.

8

Office of the Non- Formal and Informal Education

2. Tambon Database Corner

In this corner, there will be an up-to-date database of Tambon (sub-district) which people can seek information conveniently.

9

Office of the Non- Formal and Informal Education

3. Satellite Signal Receiving Corner

There will be a satellite signal receiving equipment set to broadcast the satellite education programmes so that the people can study all the time.
