## 3. Details of courses

Authorized course	Course Type	Concrete education content
School of Japanese Studies for Foreign Students (October Start)	Preparatory Education	The curriculum is consisted from Japanese language subjects and Japanese studies subjects. Japanese language subjects include vocabulary, grammar, reading, listening, speaking and writing. Japanese studies subjects include "Japan: Then and Now" and "Foundation Skills". The class size is kept small to provide personal instructions to the students. Students have opportunities to attend the university's events and after school activities too. Special admission exams can be arranged after the completion of the course.
School of Japanese Studies for Foreign Students (April Start)	Preparatory Education	The curriculum is consisted from Japanese language subjects and Japanese studies subjects. Japanese language subjects include vocabulary, grammar, reading, listening, speaking and writing. Japanese studies subjects include "Japan: Then and Now" and "Foundation Skills". The class size is kept small to provide personal instructions to the students. Students have opportunities to attend the university's events and after school activities too.
